File No. KA-2011-0122

VIDEO SERVICE AUTHORIZATION

Issue Date: November 18, 2010

Effective Date: November 28, 2010

On October 29, 2010, Allegiance Communications, LLC, (“the Company”) pursuant to §67.2679.7, RSMo 2000 (Cum. Supp. 2009), filed an application¹ for video service authorization in the following political subdivisions:

Political Subdivision	Fee Amount
Plattsburg	5%
Rushville	0%
Dearborn	0%
Camden Point	2%
Braymer	3%
Maysville	3%
Gower	5%
Seligman	2%
Washburn	0%
Edgerton	2%
Hamilton	4%
Lathrop	5%

The Commission has reviewed the application filed by the Company and finds that it and the attached affidavit comply with the filing requirements set forth in § 67.2679.7, RSMo 2000 (Cum. Supp. 2009).

¹ The Commission notes that this filing was made by an attorney who is not licensed to practice law in the State of Missouri. Although referred to as an “application” in the statute, the lack of discretion by the Commission in a video service authorization actually equates this with a “registration” rather than an “application.” As such, no Missouri-licensed attorney would be necessary to file this request for authorization.

THE COMMISSION ORDERS THAT:

1. Allegiance Communications, LLC is granted authority to provide video service in the franchise area of each political subdivision set forth in the application and restated above; and
2. Allegiance Communications, LLC is granted authority to construct a video service network along, across, or on public rights-of-way for the delivery of video service to the extent the video service provider or an affiliate did not otherwise possess a valid authorization to occupy the public rights-of-way.
3. This Order shall become effective on November 28, 2010.
4. This case may be closed on November 28, 2010.
