CITY OF KANSAS CITY-S
NOTICE OF POSITION REGARDING
STIPULATION AND AGREEMENT

Comes now the City of Kansas City (City), by and through counsel, and for its statement of position regarding the Stipulation and Agreement submits the following:

1. On April 4, 2007, there was caused to be filed in this matter a Stipulation and Agreement as to Certain Issues (the Stipulation) by parties therein identified. The City of Kansas City (City) was not a signatory party to the Stipulation, but despite the lack of its signature, the City is particularly interested in the issue(s) resolved by Paragraph 11 of the Stipulation entitled **Demand Side Management (“DSM”) Program Costs.**

2. The City endorses and supports the parties= agreements set forth in Paragraph 11 of the Stipulation and joins in the request that the Commission approve the same.

3. With respect to the other matters resolved in the Stipulation, the City is neutral but it does not oppose them and does not oppose the Commission= approval of the balance of the Stipulation. The City does not request a hearing on any issue.

Respectfully submitted,

/s/ Mark W. Comley
