Dear Mr. Martin:

This letter is in response your correspondence dated August 18, 2004. In your correspondence, you indicated that your company was no longer going to build Modular Units and that you were surrendering your company's Modular Unit Manufacturer and Dealer Certificates of Registration.

Please note that surrendering your company's Manufacturer and Dealer Registrations does not exempt your company from the Complaint filed against your company dated August 19, 2004, for failure to comply with various statutory and rule requirements. The surrender of your company's Certificates of Registration also does not shield you from any other actions that may accrue from your manufacturing or dealer operations while registered.

Also, if you are continuing to manufacture modular housing for sale in Missouri, you must register with the Missouri Public Service Commission in accordance with Section 700.090, RSMo.

Should you have any questions, please feel free to contact me at 573-751-7119 or write to above address.

Respectfully,

A handwritten signature in cursive script that reads "Ron Pleus".
