ORDER GRANTING PROTECTIVE ORDER

Issue Date: June 23, 2005

Effective Date: June 23, 2005

On June 20, 2005, France Telecom Corporate Solutions, LLC, filed a request that financial information filed as Exhibit F to its amended application for a certificate of service authority be subject to a protective order under the Commission's rule 4 CSR 240-2.085. France Telecom alleged that the release of the financial information would cause competitive harm to France Telecom. France Telecom also alleges that the information is not otherwise subject to public disclosure.

Upon review of the company's motion, the Commission finds that there is a need to protect confidential information and the request for a protective order is reasonable. The Commission has previously recognized the need to protect confidential information, and the issuance of protective orders has helped to minimize disputes in past cases. Therefore, the Commission concludes that a protective order should be granted.

The Commission will order that Exhibit F not be disclosed to the public and in addition, the Commission will issue its "standard" protective order.

IT IS THEREFORE ORDERED:

1. That Exhibit F is protected from public disclosure and the protective order attached to this order is (Attachment A) adopted.
2. That this order shall become effective on June 23, 2005.
