**COMES NOW** the Office of the Public Counsel (“OPC”) and for its *Late Filed Exhibit 221*, states as follows:

1. Per the Commission’s request, the OPC includes as an attachment to this filing a complete copy of the late filed exhibit number 221.
2. This exhibit constitutes summaries of data prepared by Mr. Keith Majors, witness for the Commission’s Staff (“Staff”).
3. To the best of the OPC’s understanding and belief, this data was developed using Confluence Rivers Utility Operating Company, Inc.’s response to Staff data request number 66.
4. The attached late filed exhibit 221 is presented in the same form as it was supplied to the OPC by Staff counsel.
5. The OPC believes that a motion for the admission of this exhibit was already made during the evidentiary hearing and is still pending. However, out of an abundance of caution, the OPC now moves for the admission of this exhibit into the evidentiary record.

WHEREFORE, the Office of the Public Counsel respectfully requests the Commission accept the attached Late Filed Exhibit 221 and admit the same into the evidentiary record.
