d/b/a Ameren Missouri for Permission and Approval)	
and a Certificate of Public Convenience and)	
Necessity Authorizing it to Construct, Install, Own)	File No. EA-2015-0273
Operate, Maintain and Otherwise Control and)	
Manage Solar Generation Facilities in)	
Montgomery County, Missouri)	

APPLICATION TO INTERVENE

COMES NOW Missouri Solar Energy Industries Association ("MOSEIA"), pursuant to 4 CSR 240-2.075, and for its application to intervene in the above-styled case, states as follows:

1. MOSEIA is an industry trade organization, organized as a non-profit corporation under the laws of Missouri, and is active and in good standing in Missouri. MOSEIA has its principal place of business at 8001 Forsyth, St. Louis, Missouri, 63105.
2. MOSEIA represents solar industry stakeholders supporting policy issues focused on solar job creation and sustainable economic growth in Missouri. MOSEIA was formed in large part due to the passage of Proposition C, or the Missouri Renewable Energy Standard ("RES"). The organization's mission is to strengthen and expand the Missouri solar industry and establish a sustainable energy future for all Missourians.
3. As an organization that advocates expanding the solar industry and establishing a sustainable energy future in Missouri, MOSEIA's interest is different than that of the general public and may be adversely affected by a final order arising from this case.
4. MOSEIA's intervention will serve the public interest by assisting the Commission's record for decision in this case.
5. MOSEIA has not yet taken a position in this case.
6. Pleadings, notices and other correspondence in this case should be directed to MOSEIA's undersigned legal counsel.

WHEREFORE, MOSEIA requests that it be permitted to intervene and be made a party to this case for all purposes.

Respectfully Submitted,

/s/ Wendy Shoemyer
