RE: Water Utility Small Company Rate Increase Request
MO Case. No WR-2009-0227

Missouri Public
Service Commission

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between Suburban Water and Sewer Company, Inc. (Company) and the Commission Staff (Staff) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on November 26, 2008 under the provisions of the Commission's small company rate increase procedure.

Since the above-referenced Disposition Agreement is only between the Company and Staff, the enclosed tariff sheets bear an effective date that is more than 45 days from the issue date, as is required by the small company rate increase procedure. As is also required by the small company rate increase procedure, the Company will be sending a notice to its customers regarding the terms of the Disposition Agreement and will provide a copy of that notice to the Commission for placement in the case file when it is mailed to the customers.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$9,191 Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Rodger Owens
Manager
