Re: In the Matter of the Application of Kansas City Power & Light Company for Approval to Make Certain Changes in its Charges for Electric Service to Begin the Implementation of Its Regulatory Plan

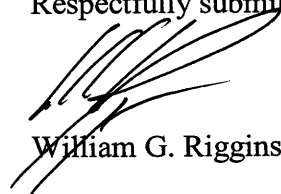

Dear Ms. Dale:

Please accept for filing Kansas City Power & Light Company's Application and supporting schedules in the above referenced matter.

Certain information contained within the enclosed materials has been designated by KCPL as "highly confidential" or "proprietary." KCPL requests that the Commission maintain the confidential status of such designated materials in accordance with 4 CSR 240-2.085(2). The information designated as "highly confidential" or "proprietary" falls into five broad categories: (i) information concerning KCPL's activities in wholesale power markets; (ii) information concerning KCPL's activities in SO₂ emission allowance markets; (iii) highly sensitive financial information; and (iv) highly sensitive, forward-looking information concerning KCPL's strategic plans. This information is not otherwise publicly available, and the disclosure of such information would adversely impact KCPL's financial interests. KCPL is also submitting a separate public version of the Application with the confidential information redacted.

Thank you for your assistance and attention to this matter.

Respectfully submitted,

William G. Riggins
