Service Commission

In the Matter of the Activation of the 811 )  
Abbreviated Dialing Code for Access to the One ) Docket No. 06-GIMT-049-GIT  
Call Notification Program's One Call Centers. ) Telecom

ORDER

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having examined its files and records, and being duly advised in the premises, the Commission makes the following findings:

1. On September 8, 2006, Southwestern Bell Telephone, L.P. (SWBT) filed a new General Exchange Tariff, Section 62, introducing a new Basket Three Service, named 811 Service. 811 Service is an abbreviated three digit dialing service for use by the general public in reaching the State's One Call Center. Included with the filing is a supporting cost study.

2. On September 28, 2006, the Commission issued an order suspending this matter to allow SWBT and the Commission staff (Staff) sufficient time to resolve Staff's questions, concerning the supporting cost study.

3. On October 24, 2006, Staff submitted a memorandum recommending Commission approval of SWBT's filing with an effective date of December 1, 2006.

4. Staff stated that SWBT's filing proposes to offer a standard dialing arrangement for use in reaching Kansas One Call Services by use of the service code 811. The designation and assignment of code 811 for such use was authorized and directed by the Federal Communications Commission in its Sixth Report and Order in Docket No. 92-105 (FCC 92-105), released March 14, 2005. Implementation is to be completed not later than April 13, 2007.

7

5. SWBT's filing includes a supporting cost study. Staff has verbally raised concerns with the study with SWBT's regulatory manager. SWBT has since responded and resolved Staff's concerns.

6. SWBT's filing proposes a nonrecurring charge of \$235.47 per switch, with no recurring charges. The service is a price cap service and is priced at cost.

7. The Commission finds and concludes that SWBT's application should be granted with an effective date of December 1, 2006.

**IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:**

A. The application of Southwestern Bell Telephone, L.P. introducing a new Basket Three Service, named 811 Service, to its new General Exchange Tariff, Section 62 is hereby approved, with an effective date of December 1, 2006.

B. The parties have fifteen days, plus three days if service of this order is by mail, from the date this order was served in which to petition the Commission for reconsideration of any issue or issues decided herein. K.S.A. 66-118; K.S.A. 2005 Supp. 77-529(a)(1).

C. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order, or orders, as it may deem necessary.

**BY THE COMMISSION IT IS SO ORDERED.**
