CORRECTION TO STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On May 23, 2012, the Staff filed an Attachment A to the Staff Memorandum that contained incorrect rates in some of the figures pertaining to Fairpoint Communications. The differences are not material to the Staff's recommendation, but the Staff requests that the presently filed Attachment A be substituted in its entirety by the Attachment A filed with this pleading.

2. This does not change the substance of the Staff's analysis and does not change the fact that Fairpoint Communications is only raising the rate in question to the minimum benchmark rate.

WHEREFORE, the Staff requests that the presently filed Attachment A be substituted in its entirety by the Attachment A filed with this pleading.

Respectfully submitted,

Colleen M. Dale
