**CONCURRENCE IN PUBLIC COUNSEL'S TARIFF OBJECTION BY
AG PROCESSING INC A COOPERATIVE**

COMES NOW AG PROCESSING INC A COOPERATIVE ("AGP") and concurs in the Objection to Tariffs filed herein by the Office of the Public Counsel on this date and supplements that concurrence by noting that while the Commission appears to have employed Section 393.155.1 to accomplish a phase-in of rates in excess of filed-for levels, that section does not authorize such action, does not override existing law that requires the consideration of all relevant factors before approving rates, results in carrying charges that are unjust and unreasonable and such actions are, therefore, unlawful.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
