

In the Matter of an Investigation into)
the Siting and Safety of a Proposed) Case No. EO-2012-0271
Transmission Line in Platte County, Missouri)

COME NOW Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company (collectively, the “Company”) and hereby requests that the Missouri Public Service Commission (“Commission”) issue an order approving discontinuance of the Company’s reporting requirements in Case No. EO-2012-0271 and close the file for the reasons submitted herein.

2. The Iatan-Nashua Project was energized on April 8, 2015 and is now in-service. Given that the Iatan-Nashua Project is now in-service, the Company does not contemplate that there will be any planning, design, construction, safety, ownership or public contact issues to report.

WHEREFORE, for the reasons set forth herein, the Company respectfully requests that the Commission grant its request and issue an order terminating quarterly reports on issues related to the Iatan-Nashua Project and close the aforementioned file.

Respectfully submitted,

/s/ Roger W. Steiner
