ORDER APPROVING TARIFF

Issue Date: October 27, 2006

Effective Date: October 30, 2006

On September 29, 2006, Laclede Gas Company ("Laclede") filed revised tariff sheets with the Commission with a proposed effective date of October 30, 2006. The case in which the tariff sheets were filed, GX-2006-0434, was opened for the purpose of amending the Cold Weather Maintenance of Service Rule ("CWR"), 4 CSR 240-13.055. Laclede's tariff filing is intended to incorporate the recent modifications made to the CWR in Case No. GX-2006-0434 and to bring the tariff into conformity with those changes.

On October 19, 2006, the Staff of the Commission filed a memorandum which analyzes the proposed tariff in detail and concludes that "Laclede's filing incorporates CWR tariff language that is consistent with language currently reflected in Commission Rule 4 CSR 240-13.055." For this reason, Staff has recommended approval of Laclede's tariff filing and requests that the Commission issue an order approving the associated proposed tariff sheets to be effective on October 30, 2006.

The Commission will approve the tariff sheets to go into effect on October 30, 2006.

IT IS ORDERED THAT:

1. The following proposed tariff sheets, filed by Laclede Gas Company on September 29, 2006, are approved to become effective on October 30, 2006:

P.S.C. MO. No. 5 Consolidated

**First Revised Sheet No. R-36-b, Cancelling Original Sheet No. R-36-b
Original Sheet No. R-36-c
Original Sheet No. R-36-d**

2. This order shall become effective on October 30, 2006.
3. This case may be closed on October 31, 2006.
