MOTION TO CLOSE CASE

COMES NOW the Missouri Office of the Public Counsel ("OPC") and for its Motion to Close Case requests that the Commission close Case Number GT-2011-0130, and with it Case Number GO-2011-0131, because the issues in these cases have been rendered moot as follows::

1. The Commission established and consolidated Case Numbers GT-2011-0130 and GO-2011-0131 to resolve disputes regarding Ameren Missouri's energy efficiency programs. OPC initiated Case Number GT-2011-0130 when it filed to suspend Ameren's Tariff Filing Number JG-2011-0211 that sought to reallocate energy efficiency rebate funds. OPC initiated Case Number GO-2011-0131 to oppose Ameren's decision to cease its energy efficiency programs while actively marketing such programs.

2. On November 23, 2010 Ameren withdrew the tariff proposal to reallocate rebate funds, Tariff File Number JG-2011-0211.

3. On January 5, 2011, the Commission approved Tariff Filing Number JG-2011-0340 in Case Number GT-2011-0212 that extended the availability of Ameren's natural gas energy efficiency programs beyond December 31, 2010.

4. On January 19, 2011, the Commission approved a Unanimous Stipulation and Agreement in Case Number GR-2010-0363. The terms of the Stipulation provide:

The Parties agree this Stipulation renders moot the dispute in Commission Case No. GT-2011-0130 regarding Ameren Missouri's current natural gas energy efficiency rebate program and agree that Case No. GT-2011-0130 may be closed. Within ten days of Commission approval of this Stipulation, Public Counsel shall file a pleading withdrawing Case No. GT-2011-0130.

Accordingly, the dispute in Case Number GT-2011-0130 is rendered moot. This case should now be closed.

WHEREFORE, the Office of the Public Counsel respectfully requests that the Commission close Case Number GT-2011-0130 et al.

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL
