ORDER SCHEDULING CONFERENCE

Issue Date: February 3, 2012

Effective Date: February 3, 2012

On November 9, 2011, Southern Union Company d/b/a Missouri Gas Energy ("MGE") filed a tariff that would allow it to implement an Experimental Pilot program called the "Rebuild Joplin Program". That tariff became effective date on December 9, 2011.

The Commission overruled the Office of the Public Counsel's objection to the tariff, as well as its Application for Rehearing and Motion for Reconsideration. However, the Commission would like further explanation of the tariff and the parties' positions regarding the tariff. Thus, the Commission will schedule a conference to hear from the parties.

THE COMMISSION ORDERS THAT:

1. A on-the-record conference is hereby scheduled for this case on March 27, 2012, at 8:30 a.m. The conference shall be held in Room 305 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri. The Governor Office Building meets accessibility standards required by the Americans with Disabilities Act. Any person who needs additional accommodations to participate in the conference

should call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the hearing.

2. This order shall become effective immediately on issuance.
