MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY

COMES NOW the Staff of the Missouri Public Service Commission and moves for the Missouri Public Service Commission (Commission) to cancel the certificates of basic local and interexchange telecommunications service authority in Missouri of Cleartel Communications (“the Company”) and states as follows:

1. On June 26, 2006, the Commission granted a certificate of basic local and interexchange telecommunications service authority to the Company in Case No. LN-2006-0448.
2. On November 25, 2009, the Company, filed a request to cancel its certificates in File No. LD-2010-0163. The matter was closed because the Company was not represented by local counsel, but the presiding Regulatory Law Judge noted that the Company did want its certificates cancelled and that the Staff could file a motion to cancel, based on the Company’s assertions in that case.
3. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

4. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, the Staff respectfully recommends the Commission cancel the tariff(s) and certificates of service authority of Cleartel Communications to provide basic local and interexchange telecommunications service in Missouri.

Respectfully submitted,

Colleen M. Dale
