Re: Case No. TM-99-381: In the Matter of the Application of Primus Telecommunications, Inc., and  
TresCom U.S.A., Inc. for Approval of a Pro Forma Internal Reorganization

Dear Mr. Roberts:

Primus Telecommunications, Inc. ("Primus") and TresCom U.S.A., Inc. ("TresCom") (together the "Applicants"), by undersigned counsel and pursuant to an Order Directing Filing dated December 7, 2000, respectfully submit an original and fourteen (14) copies of this letter informing the Commission that the *pro forma* internal reorganization in the above-referenced case has not yet been completed.

At the time of filing the Application, the Applicants believed that the reorganization would occur shortly after receiving all state public utility commission approvals. However, the Applicants have been experiencing delays in consummating the *pro forma* internal reorganization. Specifically, the transaction has not yet been completed due to continued delays related to completing the corporate affairs of TresCom prior to liquidation of the TresCom assets. As a result, the Applicants have been unable to provide the Commission with proof that the *pro forma* internal reorganization has been completed. The Applicants have every intention of completing the transaction as soon as all corporate issues are resolved. Primus confirms that it will submit a final status report to the Commission upon consummation of the reorganization. Primus apologizes for any concerns these delays have caused.

Please date-stamp the enclosed extra copy of this letter and return it in the self-addressed stamped envelope provided. Should you have any questions or comments regarding this matter, please do not hesitate to contact Jennifer Schneider at (202)-424-7742.

Very truly yours,

Douglas D. Orvis II  
Jennifer Schneider
