Re: Case No: MC-2000-660

Dear Mr. Roberts:

Pursuant to the Order Directing Filing dated September 7, 2000, this letter is being prepared with copies being sent to all attorneys of record.

On July 18, 2000, all parties met in Columbia, Missouri, and conferred with Mr. Jim Levin at the Center for Dispute Resolutions at the University of Missouri School of Law. Following that session it was agreed that respondent would contact Manufactured Housing Enterprises, the manufacturer of the home in question regarding an approved method for correcting the discrepancy that formed the basis of the dispute. The complainant also requested that respondent acquire copies of the specifications for construction of permanent site plans. Both the request to Manufactured Housing Enterprises and the provision of site preparation structural specifications have been provided.

It was further determined and agreed at the session on July 18, that if the matter could not be resolved by an approved inexpensive method, then respondent would contact the Secretary of HUD for determination of whether or not any of the regulations in question apply where the manufactured home is converted to a permanent home. That is now in process. Please contact this office if you have further questions regarding this matter.

Very truly yours,

FITZGERALD, FITZGERALD & CARTER
