Re: Barbara Ross v. AmerenUE
Case No. GC-2002-388

Dear PSC Secretary:

I am requesting that any hearing related to my complaint against AmerenUE take place before May 31, 2002 or after July 8, 2002. I will be out of state in June and early July and will be unavailable to attend a hearing during that time. Please let me reiterate that I do wish to present my case before the public service commissioners and continue to desire a hearing.

I hope the PSC will respond to this concern in a timely manner.

Sincerely,

Barbara Ross
