OF THE STATE OF MISSOURI**

In the Matter of the Review of the )  
Competitive Classification of the )  
Exchanges of Spectra Communications )  
Group, LLC, d/b/a CenturyTel )

Case No. IO-2008-0097

**MOTION TO AMEND STAFF REPORT**

COMES NOW the Staff of the Missouri Public Service Commission and for its motion states:

1. In the Staff Report and Memorandum, the Staff opines that evidence suggests that competitive conditions continue to exist in all Spectra's competitively classified exchanges.

2. The Staff had inadvertently listed Charter Fiberlink - Missouri, LLC, as the competitive local exchange carrier (CLEC) providing local voice service to residential customers in Spectra's Savannah exchange. NPG Digital Phone Inc., is the CLEC providing this service. The Staff has confirmed that NPG Digital Phone, Inc. provides local voice service to at least two residential customers in Spectra's Savannah exchange. See the attached Highly Confidential Affidavit from an official at NPG Digital Phone, Inc.

WHEREFORE, the Staff amends its report and re-affirms its recommendation that the Commission make a finding that competitive conditions continue to exist in all Spectra's competitively classified exchanges.

Respectfully submitted,

/s/ William K. Haas
