Missouri Public Service Commission

Dear Mr. Chairman:

I am pleased to provide this letter of support for the Grain Belt Express Clean Line LLC for A Certificate of Convenience and Necessity.

Grain Belt Express Clean Line will provide jobs, clean air and energy security. This project will benefit Missourians by bringing low-cost energy as well as boosting our economy and strengthening our outdated electrical grid. Direct current is the most efficient and cost effective technology to move large amounts of power over long distances.

Once again, I give my full support of Grain Belt Express' application for a Certificate of Convenience and Necessity.

Sincerely,

A handwritten signature in blue ink that reads "Joe Runions".

Representative Joe Runions
