COME NOW National Water & Power, Inc. (NWP), and, in response to Commissioner Clayton’s suggestion, invitation, or request, made at the January 3, 2011 oral presentations regarding summary determination, for NWP to provide information as to the structure of laws or regulations other states have utilized in dealing with the issue presented here, and states as follows:

1. NWP provides the following links to statutes or regulations adopted in other states. NWP has adapted to each such structure.
