MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (“MAWC”), and for its Motion for Expedited Treatment pursuant to Commission Rule 4 CSR 240-2.080(14), respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. MAWC filed its ISRS petition on August 29, 2017. Pursuant to Commission Rule 4 CSR 240-3.650(12), the Commission “shall issue an order to become effective not later than one hundred twenty (120) days after the eligible water utility files the petition.”

2. On October 30th, the Staff of the Commission (“Staff”) filed its Recommendation regarding the company’s application. Thereafter, the Office of the Public Counsel (“OPC”) and MAWC each filed responses and requests for a hearing.

3. MAWC, Staff, and OPC reached a settlement, leaving no contested issues to be decided by the Commission in this matter. The Stipulation and Agreement (“Agreement”), which included an agreed-upon ISRS tariff, was filed with the Commission on November 29, 2017.

4. By order issued December 6, 2017, the Commission approved the Agreement and directed MAWC to file the revised ISRS tariff sheet with a 30-day effective date. The Commission further provided that MAWC may file a motion for expedited treatment, so that the revised ISRS tariff sheet could take effect on December 15, 2017, pursuant to the Agreement.

5. The revised ISRS tariff sheet, Tracking No. YW-2018-0073, is attached hereto. This revised ISRS tariff sheet varies from the tariff sheet attached to the Agreement only with regard to the issue date and the effective date. Although the tariff bears an effective date 30 days

after issuance, MAWC requests that the tariff be allowed to take effect for service rendered on and after December 15, 2017.

6. Pursuant to Commission Rule 4 CSR 240-2.080(14), MAWC submits that no harm will result from the granting of this Motion, as the revised ISRS tariff sheet is in conformity with the Agreement and the Commission order approving the Agreement. MAWC also states that this Motion is being filed as quickly as possible after the Commission issued its order approving the Agreement.

WHEREFORE, MAWC respectfully requests an order of the Commission granting this motion and allowing the revised ISRS tariff sheet, Tracking No. YW-2018-0073, to take effect for service rendered on and after December 15, 2017. MAWC requests such additional relief as is necessary or appropriate under the circumstances.
