(the "Petitioners"), pursuant to 4 CSR 240-2.085 and 240-36.040(6), and move the Missouri Public Service Commission ("Commission") to issue its standard-form protective order in the above-referenced case. In support thereof, Petitioners respectfully state to the Commission as follows:

1. The Verified Petition being filed with the Commission on this same date contains information that Petitioners believe to be Proprietary and/or Highly Confidential. Petitioners also anticipate that discovery during the course of this case may include confidential market information, reports, and workpapers, as well as private technical, financial, and business information. This information is unavailable in any other public document. Therefore, because of the need to conduct discovery and the potential harm to Petitioners and/or Respondents if this information is made public, Petitioners move the Commission to issue its standard-form protective order so that such information may be designated as “Proprietary” or “Highly Confidential” during the course of arbitration.

WHEREFORE, Petitioners respectfully request that the Commission issue its standard-form protective order for “highly confidential” or “proprietary” information.

Respectfully submitted,
