RE: Water Invoicing

TO: Ridge Creek Residents

It has come to our attention that residents have not received the billing invoices for the past two billing cycles. I am not sure of the reason why they were not received, as they were mailed out on 10/07/2014 and 01/06/2015. In the future, I would ask that you please notify me if you have not received your invoice. Invoices are mailed the first week of the billing cycle.

Enclosed with the current billing, I have copied the previous invoices for your records. As all amounts due are larger than previous invoices, I am changing the due date for each one. The October invoice will be due upon receipt. The January invoice will be due on April 30, 2015 and the current April invoice will be due on May 15, 2015. There will be no late fees charged if all invoices are paid by the stated due date. If payments are not received by the due date, late fees will be assessed and possible disconnection may occur.

We are currently working with the PSC to obtain certification for the water usage. Should you have any questions, please feel free to call.

Sincerely,

Denise Stoner
