Re: In re: Union Electric Company, Case No. ER-2008-0318

Dear Ms. Dale:

Filed with this letter is a proprietary version of the direct testimony of Mr. Shawn E. Schukar. Two versions of Mr. Schukar's direct testimony were originally filed on April 4, 2008, a public version and a highly confidential version. As stated in Union Electric Company d/b/a AmerenUE's Response to the Office of the Public Counsel's Motion to Make Testimony Public filed today, the information originally classified as highly confidential in Mr. Schukar's direct testimony filed on April 4 should have been classified as proprietary. Consequently, the Company is filing this proprietary version to replace the highly confidential version.

Thank you for your assistance.

Sincerely,

/s/ James B. Lowery
