MOTION TO ACCEPT LATE FILED 1999 ANNUAL REPORTS
AND FOR TREATMENT OF REPORTS AS HIGHLY CONFIDENTIAL

COME NOW MCI Telecommunications Corporation, n/k/a MCI WorldCom Network Services, Inc., Teleconnect Long Distance Service & Systems Company, WorldCom Network Services, Inc., n/k/a MCI WorldCom Network Services, Inc., WorldCom Technologies, Inc., n/k/a MCI WorldCom Communications, Inc., TTI National, Inc., Touch 1 Long Distance, Inc., BLT Technologies, Inc., Brooks Fiber Communications of Missouri, Inc., Metropolitan Fiber Systems, Inc. of St. Louis and Kansas City and MCImetro Access Transmission Services, LLC, and hereby request that the Commission grant their Motion to Accept Late Filed Annual Reports and Treat Certain Provisions of said Reports as Highly Confidential.

These reports were initially inadvertently submitted late by the companies without a motion due to unanticipated problems regarding signature. Further delay resulted when the reports were returned and sent to counsel for preparation of this motion and counsel observed errors in company names (due to reorganization) and could not reach the necessary persons to

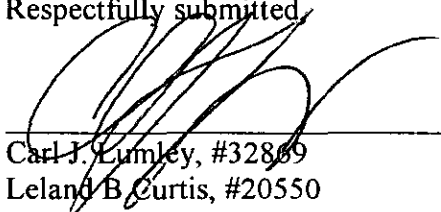

authorize change due to conflicting vacations and trial schedules. The late filing of these reports will not prejudice any parties involved.

Further, pursuant to Rule 4 CSR 240-10.080(7), the aforesaid parties request that the access line counts of the Brooks, WorldCom Technology, MFS, and MCImetro ABLEC annual reports be treated as highly confidential. As grounds for requesting highly confidential treatment of these portions of the annual reports the parties state that said portions of the annual reports contain company specific, state-specific information that is not otherwise publicly available. The information contained in these reports could be used by competitors of the aforesaid parties to determine the extent of business operations in Missouri, including the extent of network facilities, and other items that are of a competitively sensitive nature. Disclosure of this type of information to their competitors would be detrimental to the parties business interests in Missouri. The competitively sensitive information contained in these reports is not otherwise in the public domain.

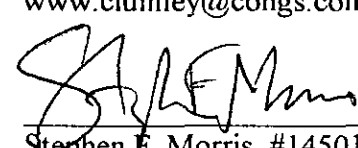

The reports are submitted herewith, together with the 1999 Form 10-K referred to therein.

WHEREFORE, the parties request that for the foregoing reasons, the Commission issue an order accepting the late filed annual reports and allow the filing of the identified provisions under seal.

Respectfully submitted,
