**Re: In the Matter of the Application of Easton Telecom Services, Inc.
Joint Petition of Robert E. Mocas and Teligent, Inc., for Consent to the Transfer of
Control of Easton Telecom Services, Inc., from Robert E. Mocas to Teligent, Inc.
Case No. TM-2000-377**

Dear Judge Roberts:

In compliance with the Order Directing Status Report (dated June 6, 2000), Teligent, Inc. and Easton Telecom Services, Inc. ("the Parties"), wish to advise the Commission that the proposed transaction has closed. The closing of the transaction had been contingent upon the receipt of all necessary authorizations from the states within which the Parties operate. The Parties received the final necessary authorization – from the State of Minnesota – only this past week. A copy of this authorization is attached. Accordingly, the Parties notify the Commission that the transaction has closed effective June 15, 2000.

Please do not hesitate to contact me if any further information or clarification is necessary.

Sincerely,

Stephen J. Duall
Counsel for Teligent, Inc.
