Re: Docket # RA-2011-0349 ETC Approval of Aegis Telecom, Inc. d/b/a Off The Hook Telecom

Dear Mr. Van Eschen:

Please note that Aegis Telecom, Inc. d/b/a Off The Hook Telecom was granted status as an Eligible Telecommunications Carrier as a Wireless ETC under Docket Number RA-2011-0349 on 10/29/2011. Aegis Telecom, Inc. will no longer be providing telecommunication services in the State of Missouri and is seeking to cancel the ETC designation, and any associate CMRS registration, effective April 30, 2015. The requested cancellation should have no adverse effect, as the Company does not have any customers active in the State of Missouri.

I have enclosed an extra copy of this notice to be date stamped and returned to me in the self-addressed, stamped envelope provided. Should you have any questions regarding this filing, please do not hesitate to contact me at 352-233-2717 or tallen@telecomservicebureau.com.

Respectfully submitted,
