Re: Case No.
Tariff File No.
McLeodUSA Telecommunications Services, Inc.
Local Exchange Telecommunications Services Tariff Revisions

Dear Mr. Roberts:

Enclosed Please find an original and five copies of a Motion for Expedited Treatment for filing with the Commission on behalf of McLeodUSA Telecommunications Services, Inc. This Motion addresses a tariff filing submitted by overnight delivery by McLeodUSA received by the Data Center today. The tariff filing represents the non-controversial revisions that were contained in Tariff File No. JC-2004-1048, addressed in Case No. CT-2004-0497, which was closed on April 27, 2004, by the Commission.

Thank you for assistance in processing this filing. Copies are being served on the Commission's General Counsel and Office of the Public Counsel. Please contact me at 634-8109 if there are any questions.

Sincerely,

Mary Ann Young

Enclosure

cc: General Counsel
Office of the Public Counsel
Julia Redman-Carter

2. In CT-2004-0497, McLeodUSA sought to implement a new charge (Account Handling Charge), which raised questions by Commissioners and resulted in suspension of the entire tariff filing. Certain pages of the tariff filing were not controversial. However, because McLeodUSA was informed that it could not withdraw only a portion of the suspended tariff (namely the controversial pages), McLeodUSA moved to withdraw the tariff filing in its entirety, stating that it intended to refile the

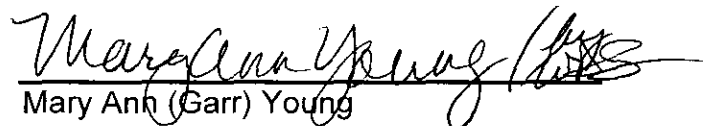

portions of the local exchange tariff (P.S.C. MO No. 4) that appeared to be non-controversial.

3. As a result of the suspension, non-controversial revisions on certain tariff pages were not allowed to take effect on a timely basis in relation to the date the sole customer of this service was notified of the change.

4. McLeodUSA is re-filing the non-controversial portion of Tariff Filing No. JC-2004-1048, and this Motion for Expedited Treatment, at the earliest possible time after receiving the Commission's Notice Closing Case No. CT-2004-0497. The interest to be served by granting this Motion is that the tariff changes will be allowed to take effect on the date the only customer affected by this tariff change were notified it would take effect.

WHEREFORE, for the reasons stated above, McLeodUSA respectfully moves the Commission to grant expedited treatment of the subject revised tariff sheets pursuant to 4 CSR 240-2.065(2) and allow the tariff sheets to take effect on May 9, 2004.

Respectfully submitted,

Mary Ann (Garr) Young
