In this filing, McLeodUSA is adding International Blocking (Sheet No. 79); and Wholesale Services description (Sheet Nos. 23 and 239). RE: McLeodUSA Telecommunications Services, Inc. Wholesale Telecommunications Service
Order Charges

Dear SBC:

Please be advised that McLeodUSA Telecommunications Services, Inc. ("McLeodUSA") has filed a tariff for the offering of certain wholesale telecommunications services. A copy of the tariff may be obtained upon request or may be accessed on the McLeodUSA website at www.mcleodusa.com in early March. A local exchange carrier subscribes to certain wholesale services provided by McLeodUSA by submitting wholesale orders to McLeodUSA. This wholesale tariff is being filed to enable local exchange carriers to receive wholesale telecommunications services from McLeodUSA without entering into a separate wholesale agreement.

Please note that McLeodUSA will commence billing entities submitting wholesale orders to McLeodUSA on or after the effective date for these tariffs in the month following at the rates contained therein. Invoices will be directed to this address unless otherwise directed.

As detailed in the tariff, McLeodUSA wholesale service order processing will be provided on a bill and keep basis to local exchange carriers that do not charge McLeodUSA for comparable wholesale services. Thus, it may not be necessary for our companies to have a separate agreement if a bill and keep arrangement is acceptable. Please call if you have any questions regarding the services or have an interest in negotiating a separate wholesale agreement to purchase wholesale telecommunications services from McLeodUSA.

Sincerely,

William A. Haas

7.0 Wholesale Services

(N)

7.1 Wholesale Service Order Processing:

A Wholesale Service Order charge applies to all providers of telecommunications services that assess a non-recurring charge on McLeodUSA for the processing of comparable orders submitted by McLeodUSA to initiate service using network elements leased from the incumbent local exchange carrier ("ILEC"). A Requesting Carrier may submit an LSR during regular business hours of McLeodUSA. One LSR must be submitted for each retail end user switching from McLeodUSA to the Requesting Carrier. McLeodUSA will process an LSR and return a firm order commitment (FOC) to the requesting carrier within 48 hours of receipt. A Wholesale Service Order Charge shall be charged for each LSR received, whether accepted as valid or rejected as invalid. LSRs may be rejected for inaccurate, incomplete, or repetitive LSRs. An additional Service Order Charge applies when the Requesting Carrier cancels an LSR request. A separate Service Order Supplemental Charge applies when a Requesting Carrier submits an LSR that modifies or supplements the initial LSR. A Requesting Carrier may request expedited processing of the LSR within 24 hours for an additional Expedite Fee. A Forced Expedite Fee applies if the Requesting Carrier converts a retail customer's service before the Firm Order Commitment Date that causes McLeodUSA to expedite its required activities. An additional charge also applies to an LSR Expedite Order that involves a loop disconnect. A full set of Business Rules is available from McLeodUSA.

7.1.1 Rates:

The Wholesale Service Order charge is equal to the Service Order Charge (or a comparable charge assessed upon receipt of an order) contained in the ICA between McLeodUSA and the incumbent local exchange carrier for the state in which the retail end user resides.

If the ICA does not set forth non-recurring charges identified as a Service Order Charge, Service Order Supplemental Charge, Expedite Fee, or Forced Expedite Fee charge, or comparable items, the following charges apply:

Wholesale Service Order	\$20
Service Order Supplemental Charge	\$15
Expedite Fee*	\$40
Forced Expedite Fee*	\$75

For Expedite or Forced Expedite Request involving Loop Disconnect, the applicable charge applies in addition to a pass through of any monthly recurring charges for an unbundled loop charged by the ILEC after Customer conversion to Requesting Carrier's service.
