**MOTION FOR EXTENSION OF TIME**

**COME NOW** Joint Applicants, and move the Commission to extend the date for filing Position Statements to Wednesday, June 12, 2013. In support of their Motion, the Joint Applicants state:

1. Joint Applicants circulated their Proposed Issues List Friday morning, June 7, 2013.
2. Intervenors KCPL/GMO circulated its Proposed Issues List Monday morning, June 10, 2013.
3. The Joint Applicants suggest that all parties file their Proposed Issues List this afternoon, June 10, 2013, but ask the Commission to grant an extension of time until Wednesday June 12, 2013 for the parties to file their respective position statements.
4. Joint Applicants hope that the additional time to file Position Statements may give the parties additional time as well to narrow the differences in their Proposed Issues List, and adjust position statements accordingly.

5. To the best knowledge of the undersigned counsel, no party objects to this Motion, as an extension of time in which to file position statements is consistent with discussions today among the parties.

6. Filing position statements on Wednesday should give the Commission adequate time to prepare for the hearing that begins on June 18, and will not otherwise delay the procedural schedule in this case.

Respectfully submitted,

BLITZ, BARDGETT & DEUTSCH, L.C.
