

VERIFICATION

The undersigned, being first duly sworn and upon his oath, hereby states that Union Electric Company d/b/a Ameren Missouri has established a qualification process for the competitive bidding of construction and construction-related services for distribution system projects, and that such process conforms with the requirements of Section 393.1650.

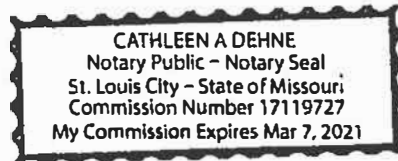

Mark C. Birk, SVP Customer and Power Ops
Union Electric Company d/b/a Ameren Missouri

Subscribed and sworn before me this 24th day of September, 2018.

Notary Public

CERTIFICATE OF SERVICE

The undersigned hereby certifies that a true and correct copy of the foregoing was served on all parties of record via electronic mail (e-mail) on this 24th day of September, 2018.

/s/ Wendy Tatro

Note: The below screenshot shows the location of the link to the vendor qualification intake survey on the Ameren.com webpage.

The screenshot displays the Ameren.com website. The browser address bar shows the URL <https://www.ameren.com/business-partners/Suppliers>. The website header includes the Ameren logo and navigation links: Ameren Corporate Home, About Ameren, Media, Careers, Contact Us, Customers, Communities, Investors, Business Partners, Environment, and Sustainability. A search bar is also present.

The main content area features a banner titled "Building Partnerships" with an image of business professionals. Below the banner is the section "Become a Supplier and Grow With Us". This section contains the following text:

We work closely with our business partners, whether they supply us with paper and pens, parts and wire, or professional services. And the results of our partnerships - improved quality, innovative ideas, reduced costs - are profitable for all.

Use the links on this page to get information about working with us. You'll find everything you need to become an Ameren supplier. You will also find training materials, risk compliance information, and billing instructions.

If you are already a supplier, and need more information about purchasing and general procurement, contact:

Supply Chain Process & Performance
Email: ProcessPerformance@Ameren.com
Phone: 314.554.2821

If you are a diverse supplier and would like more information about Ameren purchasing and general procurement, learn more [online](#) or call 888.256.1150.

The "Supplier Resources" section is highlighted with a red box and contains the following link:

[Amen Missouri Smart Energy Plan - Contractor Request for Information](#)
Please complete and submit this form to pre-qualify for bidding on work packages in the following areas:

- Directional Boring Services
- Hydro Excavation Services
- Underground Cabling Installation Services
- Underground Duct Bank Installation Services
- Overhead Line Electrical Installation Services

The Windows taskbar at the bottom shows the system clock as 9:25 AM on 09/19/2018.

Note: The below screenshot shows the "Instructions" page after the user clicks on the link from page 1.
