**Fidelity Communications Services I, Inc.'s Motion
to Accept Late-Filed Addition to Exhibit**

Comes now Fidelity Communications Services I, Inc. ("FCSI" or "Company ") and for its Motion to Accept Late-Filed Addition to Exhibit states to the Missouri Public Service Commission ("Commission") as follows:

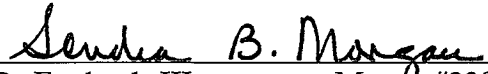

1. On September 19, 2006, FCSI filed an Application and Motion for Expedited Treatment requesting that the Commission review and overturn the decision of the North American Numbering Pool Administrator ("NANPA") withholding numbering resources needed by the Company.

2. FCSI attached several exhibits to its Application including Exhibit C, the Months to Exhaust and Utilization Certification Worksheet that was part of the Company's submission to NANPA. Subsequent to this filing, FCSI discovered that two (2) pages from this worksheet had not been provided to counsel for the Company, and so were not included as part of Exhibit C attached to the Application.

3. Attached to this Motion is the complete worksheet consisting of four (4) pages. FCSI asks that the previously filed Exhibit C be replaced with this complete Exhibit C.

Wherefore, FCSI respectfully requests that the Commission grant its Motion to Accept Late-Filed Addition to Exhibit and replace the previously filed Exhibit C with the Exhibit C attached to this Motion.

Respectfully submitted,
