1. MCI is a competitive interexchange telecommunications company duly incorporated and existing under and by virtue of the laws of the State of Delaware, authorized to do business in the State of Missouri as a foreign corporation. Its principal Missouri offices are currently located at 100 S. Fourth Street, St. Louis, Missouri 63102. It is an authorized provider of intrastate interexchange telecommunications services in Missouri under certificates granted and tariffs approved by the Commission, as well as an authorized provider of interstate interexchange telecommunications services subject to the jurisdiction of the Federal Communications Commission.

4. MCI seeks to intervene in the proceeding because the Commission's decision may affect MCI's interests as a provider of interexchange telecommunications services. MCI opposes the application.
