MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (MAWC), and, in accordance with Missouri Public Service Commission (Commission) Rule 4 CSR 240-2.080(16), moves the Commission for expedited treatment of MAWC’s tariff sheets filed on January 2, 2015:

1. On December 22, 2014, MAWC filed its Notice of Compliance – Acquisition of the Assets of Anna Meadows Water & Sewer notifying the Commission and parties that the water and sewer systems that are the subject of this matter were acquired as of December 19, 2014.

2. Concurrently, with the filing of this Motion, MAWC has filed water and sewer tariff sheets consistent with the Commission’s Order Granting Certificate of Convenience and Necessity. These tariff sheets carry proposed effective dates of February 1, 2015 (30 days), and have been assigned tracking numbers YW-2015-0232 and YS-2015-0234.

3. MAWC hereby seeks the Commission’s order allowing the proposed tariff sheets to go into effect on less than thirty days notice and as soon as possible.

4. A grant of this motion will further the public interest. As indicated above, the subject transaction was closed on December 19, 2014. Thus, MAWC currently owns and operates the subject systems. The subject tariff sheets are intended to clarify the rates, rules and regulations that will apply to the subject customers on a going-forward basis. Addressing these

tariff sheets in an expedited manner will eliminate or reduce any gap that might exist in regard to these subjects.

5. The subject tariff sheets and this Motion have been filed as soon as possible after closing of the transaction and preparation of the subject sheets.

WHEREFORE, for the foregoing reasons, MAWC respectfully requests the Commission grant this Motion for Expedited Treatment and approve MAWC's proposed tariff sheets (YW-2015-0232 and YS-2015-0234) to be effective as soon as the Commission has the opportunity to address this matter.

Respectfully submitted,
