

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of Ameren Missouri's )  
2012 Renewable Energy Standard ) Case No. EO-2013-0462  
Compliance Report )

**MISSOURI DEPARTMENT OF NATURAL RESOURCES MOTION  
FOR EXTENSION OF TIME FOR FILING OF COMMENTS**

COMES NOW the Missouri Department of Natural Resources  
("MDNR") and for its Motion for Extension of Time for Filing of Comments  
respectfully states as follows:

1. On April 15, 2013, Ameren Missouri filed its 2012 Annual Renewable Energy Standard Compliance Report.
2. On April 16, the Commission issued its Order setting a comment deadline of May 30, 2013.
3. On May 22, 2013, Ameren Missouri filed additional information pertaining to its 2012 Annual Renewable Energy Standard Compliance Report.
4. MDNR has been in the process of reviewing all utilities' Compliance Reports and preparing comments; however, due to the press of other matters, the process of drafting and reviewing comments, and a recently filed addition, MDNR has not been able to finalize its comments.
5. MDNR expects to complete its comments by June 5, which is 13 days after the last filing.

6. This extension would not prejudice any party to this matter, as MDNR's comments will not be extensive and the Commission's RES rule and April 16, 2013 Order do not provide any deadlines following the filing of comments. Counsel did not have an opportunity to inquire of other parties regarding objections to this extension request.

WHEREFORE, MDNR requests that the Commission grant it an extension of time, up to and including June 5, 2013, to file Comments on Ameren Missouri's 2012 Annual Renewable Energy Standard Compliance Report; and for such other and further relief as is just in the circumstances.

Respectfully submitted,

**CHRIS KOSTER**  
Attorney General
