**MOTION FOR RELIEF FROM ORDERED PARAGRAPH No. 2
OF REPORT & ORDER**

COMES NOW the Staff of the Missouri Public Service Commission, by and through the Commission's General Counsel, and hereby moves the Commission for relief from Ordered Paragraph No. 2 of its Report & Order herein, issued on August 16, 2007, stating, "The Staff of the Commission shall test the Laclede Gas Company meter currently installed at Lynne Shewmaker's home as directed above, and shall file its report concerning its test no later than October 15, 2007," because the Staff has no capacity to test the aforesaid meter, in that such meter testing requires specialized equipment, training and experience which is possessed only by LDCs, and Complainant has refused to agree to any of Staff's proposals whereby the aforesaid meter could be tested by an LDC.

WHEREFORE, Staff prays that the Commission will relieve it from the Order referred to above or, in the alternative, require Complainant to agree to one of Staff's proposals; and for such other and further relief as is just in the circumstances.

Respectfully submitted,

s/ Kevin A. Thompson
