YOU ARE NOTIFIED THAT each applicant listed in the schedules accompanying this notice has applied to the Commission for a certificate of service authority to provide intrastate telecommunications services. The certificate requested may be for provision of: 1) interexchange, 2) nonswitched local exchange, or 3) basic local exchange telecommunications services, or a combination thereof under Sections 392.410 through 392.455<sup>1</sup>. The Commission may classify a company as competitive if it finds that all the telecommunications services the company offers are competitive services. § 392.361.3. If the Commission's Staff makes a favorable recommendation and no request for hearing is filed, the Commission may act upon a verified application without hearing. State ex rel. Deffenderfer v.
