

The Manager of the Manufactured Homes and
Modular Units Program of the Missouri Public
Service Commission,

Complainant,

v.

Charles W. Brune and Anna G. Brune d/b/a Brune
Mobile Sales,

Respondents.

Case No. MC-2020-0135

STATUS REPORT

COME NOW The Manager of the Manufactured Housing and Modular Units Program (“Manager”), and Charles W. Brune and Anna G. Brune, d/b/a Brune Mobile Sales (“Respondents”), through counsel, and file this *Status* Report in response to the Commission’s August 31, 2020 *Order Directing Filing*.

The parties have a discovery dispute regarding a demand letter and invoices the Brunes recently sent one of the homeowners. They were unable to settle this discovery dispute during a discovery conference held August 28, 2020. The Manager filed a *Motion to Compel Discovery* September 3, 2020. Respondents' counsel indicated on September 4, 2020 that Respondents will respond to the Manager's data request.

The Manager's August 10, 2020 *Motion for an Order Requiring Respondents to Respond to a Data Request on Shortened Time* is moot.

In paragraph 12 of the *Stipulation and Agreement* (“Stipulation”) filed July 23, 2020 Respondents agreed to investigate hiring a licensed civil engineer to inspect the foundations of two homes. Although the Commission has not ruled on this Stipulation,

Respondents obtained engineering reports. On August 26, 2020 Manager's counsel sent Respondent's counsel a letter regarding these reports. Manager's counsel has not received a response to this letter.

The parties request that the Commission continue to not rule on the Stipulation at this time.

Respectfully submitted,

/s/ Karen E. Bretz
