of EDI) for testing to ensure that the bills can be processed and that the bills comply with the requirements of this Appendix. The Parties will mutually agree to develop a testing process to ensure the accurate transmission of the bill. SWBT agrees that it will not send bill data in the new mechanized such bill data has met the agreed testing specifications as developed.

- 6.2 SWBT will send bill data in the appropriate mechanized format (i.e. CABS or EDI) for testing to ensure that bills can be processed and that bills comply with the requirements of this Appendix. After receipt of the test data CLEC will notify SWBT if the billing transmission meets testing specifications. If the transmission fails to meet the agreed testing specifications, SWBT will make the necessary corrections. At least three (3) sets of testing data must meet the mutually agreed testing specifications prior to SWBT sending a mechanized production bill for the first time via electronic transmission. Thereafter, SWBT may begin sending CLEC mechanized production bills on the next Bill Date, or within ten (10) business days, whichever is later.

7.0 Additional Requirements

- 7.1 If SWBT transmits data in a mechanized format, SWBT will comply with the following specifications which are not contained in CABS or EDI/BOS guidelines but which are necessary for CLEC to process billing information and data:
- (a) The BAN will not contain embedded spaces or low values.
 - (b) The Bill Date will not contain spaces or non-numeric values.
 - (c) Each bill must contain at least one detail record.
 - (d) Any "From" Date should be less than the associated "Thru" Date and neither date can contain spaces.

8.0 Bill Accuracy Certification

- 8.1 The Parties agree that in order to ensure the proper performance and integrity of the entire billing process, SWBT will be responsible and accountable for transmitting to CLEC an accurate and current bill. For the purposes of this Agreement, CLEC and SWBT will develop the processes and methodologies required for Unbundled Network Elements bill certification as mutually agreed.

12.0 Mutual Compensation

- 12.1 The Parties will beach other reciprocal compensation in accordance with the standards set forth in this Agreement in the General Terms and Conditions.
- 12.2 Billing for mutual compensation will be provided in accordance with mutually agreed to CABS-like data content via current industry process for mutual compensation. The parties will work together to develop an electronic transmission mechanism for mutual compensation data.
- 12.3 The Parties will work cooperatively to establish a method of billing, collecting and remitting for local charges which are billed and collected by one Party but earned by the other Party.

13.0 Pricing

- 13.1 Charges for the relevant services provided under this Appendix and prices for access to OSS are included in Appendix Pricing to Appendix Unbundled Network Elements.

14.0 Applicability of Other Rates, Terms and Conditions

- 14.1 This appendix, and every interconnection, service and network element provided hereunder, shall be subject to all rates, terms and conditions contained in this Agreement or other appendices or attachments to this Agreement which are legitimately related to such interconnection, service or network element; and all such rates, terms and conditions are incorporated by reference herein and as part of every interconnection, service and network element provided hereunder. Without limiting the general applicability of the foregoing, the following terms and conditions of the General Terms and Conditions are specifically agreed by the Parties to be legitimately related to, and to be applicable to, each interconnection, service and network element provided hereunder: definitions, interpretation and construction, notice of changes, general responsibilities of the Parties, effective date, term, termination, disclaimer of representations and warranties, changes in end user local exchange service provider selection, severability, intellectual property, indemnification, limitation of liability, force majeure, confidentiality, audits, disputed amounts, dispute resolution, intervening law and miscellaneous.
