In support of its Application to Intervene, the MIEC states as follows:

1. The MIEC is a group of large natural gas consumers;
2. The MIEC's interest in this case is to avoid any adverse impact on the rates, terms and conditions of its natural gas service;
3. As large natural gas consumers, the MIEC's interest in this proceeding is different than that of the general public;
4. The MIEC does not yet have sufficient information to take a position in this case, but reserves the right to take positions on all issues that may affect its members in this case.
