Case No. TE-2000-824

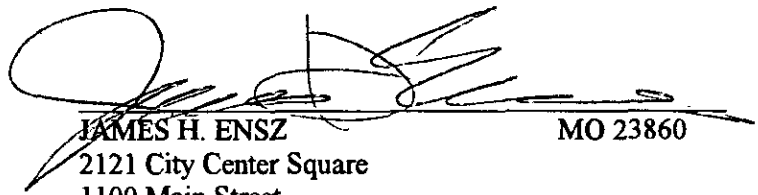

Missouri Public
Service Commission

SUPPLEMENTAL
APPLICATION FOR EXTENSION

COMES NOW Coast International, Inc., by and through its attorney, James H. Enszt, and pursuant to the Commission's Order of July 3, 2000, requests, pursuant to 4 CSR 240-10.080, an extension of time in which to file its Annual Report, which report it requests the Commission consider filed upon the acceptance of this application. In support thereof, counsel for Coast International, Inc. states that the reason for the late filing is that Coast International, Inc. was in the process of a merger at the time of the required filing and it was subsequently delayed or inadvertently unattentive to various requirements. Further, counsel for Coast International, Inc. states that pursuant to 4 CSR 240-10.080 a utility which is unable to meet the filing date established in subsection (1) of this rule shall make a written request to extend the filing date for its Annual Report to the executive secretary and state the reason for the extension request.

Coast International, Inc. requests said extension not for improper purpose or to harass or cause unnecessary delay or needless increase in the cost of litigation, but rather in good faith and for good cause shown.
