NOTICE OF CORRECTION

On October 27, 2000, the Missouri Public Service Commission issued an Order and Notice regarding the joint application of Kansas City Power & Light Company (KCPL) and the City of Marshall (City) for an order approving a territorial agreement. The body of the order directed the Records Room of the Commission to send notice to the County Commissioners of Nodaway County; however, ordered paragraph 1 directed that notice should be sent to the County Commissioners of Saline County, Missouri. Both references should have been to Saline County, Missouri. The Commission directs that the order is corrected accordingly.
