Case No. TC-2004-0442

MOTION FOR A PROTECTIVE ORDER

COMES NOW Sprint Missouri Inc ("Sprint") and requests that the Missouri Public Service Commission ("Commission") issue a protective Order in this case. In support of this request, Sprint states as follow:

On March 1, 2004, Complainant, Mr. David Hicks, filed a complaint with the Commission against Sprint. Mr. Hicks' complaint arises out of Mr. Hicks' status as a former customer of Sprint. In his complaint, Mr. Hicks makes several allegations that relate specifically to his former account with Sprint. Sprint anticipates filing an answer to this complaint after mediation officially ends. In answering, Sprint will need to provide facts relating to Mr. Hicks account with Sprint. To protect Mr. Hicks' account specific information, Sprint requests that he Commission issue its Standard Protective Order.

Respectfully submitted,

SPRINT
