

3. On November 13, 2015, the Commission issued its *Third Order Granting Motion for Extension of Time to File Stipulation and Agreement and Procedural Schedule* which directed that KCP&L and GMO file a Stipulation and Agreement by November 18, 2015 and a joint revised procedural schedule by November 20, 2015.

4. The Company advises that although significant progress has been made in drafting a Non-Unanimous Stipulation and Agreement, it will not be possible to file it today (November 18, 2015). As such, in an effort to resolve as many issues as possible by an agreement which does not require the necessity of a hearing, the Company requests that the Commission extend the deadline for filing a Stipulation And Agreement from November 18 to November 20, 2015, and allow the parties to propose a revised procedural schedule no later than November 30, 2015.

5. The Staff of the Missouri Public Service Commission, the Office of the Public Counsel, Missouri Industrial Energy Consumers, Missouri Department of Economic Development-Division of Energy and United for Missouri, Inc. have been apprised of the contents of this status report and motion, and have indicated that they either support or do not oppose.

6. Brightergy, LLC, Earth Island Institute d/b/a Renew Missouri, the National Housing Trust, West Side Housing Organization, Union Electric Company d/b/a Ameren Missouri and Natural Resources Defense Council have been apprised of the contents of this status report and motion, and have not indicated their position.

WHEREFORE, the Company respectfully requests the Commission extend the deadline for filing a Stipulation And Agreement to November 20, 2015, and allow the parties to propose a revised procedural schedule no later than November 30, 2015.

Respectfully submitted,
