MOTION FOR EXTENSION OF TIME

COMES NOW Midwest Independent Transmission System Operator, Inc. (hereinafter “Midwest ISO” or “Company”) and pursuant to 4 CSR 240-2.050(3)(A) requests an extension of time within which to file its post-hearing brief in the referenced cause. In support thereof, Midwest ISO submits the following:

1. In its Order dated April 16, 2008, the Commission directed that post-hearing briefs be filed by the parties on or before May 27, 2008.
2. The transcripts of the April 14 and 15, 2008 hearing were unavailable in their entirety until May 14, 2008. As a consequence, Midwest ISO requests an additional ten days, up to and including June 6, 2008, to file its post-hearing brief.
3. The undersigned has been authorized to represent that the Staff of the Commission, The Office of Public Counsel, the City of Independence, Dogwood Energy LLC, Southwest Power Pool, Inc., Kansas City Power & Light Company and Union Electric Company have no objection to the request for extension of time.¹
4. The ten day extension sought will not prejudice any party to the action and will not unfairly delay the disposition of this cause.

¹ Applicant, Aquila, Inc., has advised the parties that it would oppose an extension of the time to file a post-hearing brief in this matter.

WHEREFORE, Midwest ISO respectfully requests the Commission to issue an Order extending the time within which it and the other parties may file post-hearing briefs by ten days, up to and including June 6, 2008.

Respectfully submitted,

NEWMAN, COMLEY & RUTH P.C.
