OF THE STATE OF MISSOURI**

In the Matter of the Application of Laclede       )

**Case No. GM-2017-0018**

**MOTION FOR EXTENSION OF TIME OF ENABLE MISSISSIPPI RIVER  
TRANSMISSION, LLC**

**COMES NOW** Enable Mississippi River Transmission, LLC (“MRT”), and for its  
*Motion for Extension of Time*, respectfully states as follows:

1. On December 6, 2016, the Staff (“Staff”) of the Missouri Public Service Commission (“Commission”) served data requests upon MRT.
2. MRT is presently reviewing the data requests and working towards providing Staff with responses or objections, as appropriate. However, due to scheduling conflicts as well as the upcoming holiday schedule, MRT will not be in a position to provide responses or objections to Staff, if any, by the time provided for in 4 CSR 240-2.090(2). In accordance with that rule, Staff and MRT have agreed to extend the time by which responses would be due to January 17, 2017, but MRT respectfully requests that the Commission also extend the period within which objections can be made to and including January 6, 2017.
3. MRT does not make this request to unduly delay the proceedings or vex the Commission.

**WHEREFORE**, MRT respectfully requests that the Commission grant its Motion for Extension of Time Application and allow MRT to provide any objections to Staff no later than January 6, 2017.

Respectfully submitted,

/s/ Lindsay A. Hedrick
