Re: Case Number XN-2009-0196 - Application of Consolidated Communications Operator Services, Inc., Consolidated Communications Public Services, Inc. and Consolidated Communications Network Services, Inc. for Approval of a Transfer of Assets Related to an Internal Reorganization

Dear Ms. Dale:

Yesterday we filed with the Missouri Public Service Commission a Motion for Leave to Amend Application and the Amended Application of Consolidated Communications Operator Services, Inc. ("CCOS"), Consolidated Communications Public Services, Inc. ("CCPS") and Consolidated Communications Network Services, Inc. ("CCNS"), for approval of a transfer of assets related to an internal reorganization. That motion was granted. The Commission Staff has reviewed the amended application and has requested that changes be made in the adoption notices and revised tariff sheets that were filed as Exhibits 9 (CCOS) and 10 (CCPS) of the amended application. The revised sheets, incorporating the changes identified by Staff, are being filed with this letter. Please contact the undersigned if there are any questions concerning this filing. Thank you for your assistance.

Yours Truly,

/s/ Sarah J. Read
