**APPLICATION FOR INTERVENTION OF  
MIDWEST ENERGY CONSUMER'S GROUP**

COMES NOW the Midwest Energy Consumer's Group, pursuant to 4 CSR 240-2.075 and the Commission's July 12, 2016 *Notice of Hearing, Order Setting Conference Date, Directing Notice of Action, Establishing Intervention Date, and Directing Filings*, and for its Application for Intervention in this case, states as follows:

1. Midwest Energy Consumer's Group ("MECG") is an incorporated association representing the interests of large commercial and industrial users of electricity including Alliant Techsystems, Inc.; Wal-Mart Stores, Inc.; United States Gypsum Company; Cargill Incorporated; North Kansas City Hospital; Central Plains Cement Company, LLC.; General Mills Operations, LLC.; Ameristar Casino Kansas City, Inc.; Praxair, Inc.; Little Blue Valley Sewer District; DST Realty, Inc.; Broadway Square Partners, LLP; Show-Me Ethanol, LLC; Boulevard Brewing Company; Harrah's North Kansas City LLC; and Isle of Capri Casino Kansas City. MECG believes that additional large commercial and industrial users may join in the near future. MECG will notify the Commission as additional members join.

2. On July 1, 2016, KCPL filed proposed tariffs with the Commission intending to increase its rates for electric service by \$90.1 million, approximately

10.77%. As a group of large commercial and industrial customers of KCPL, MECG's interest in this case is different than that of the general public.

4. For purposes of 4 CSR 240-2.075(2), MECG states that it is opposed to discriminatory pricing of electricity and related utility services, is opposed to increases that are not reasonable and are not related to prudent costs that are incurred by the utility in providing utility service, and is opposed to a utility being permitted to earn what may be an unreasonably high rate of return. MECG is unable to state its position relating to the relief sought by KCPL. MECG is continuing to review KCPL's filing and reserves the right to take positions on specific issues as this case proceeds.

5. MECG's intervention will serve the public interest by assisting the record for the Commission's decision in this case.

6. Correspondence or communications regarding this application, including service of all notices and orders of this Commission, should be addressed to:
